

## Continuing Education

*In support of improving patient care, the Institute for Healthcare Improvement is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.*

This program carries a maximum of **12.25 credits** for physicians, nurses, and pharmacists.

In order to be eligible for a continuing education certificate, attendees must complete an online evaluation within 30 days of the continuing education activity. After this period, you will be unable to receive a certificate.

### Instructions

Attendees will receive instructions for completing an online evaluation following the conclusion of the workshop. In order to be eligible for a continuing education certificate, attendees must complete the online evaluation within 30 days of the workshop. After this period, you will be unable to receive a certificate.

Credits are frequently transferable. Canadian participants can contact their accrediting organizations to establish if they are able to apply for these credits.
